Subject: proposed health care exemption
Date: Wednesday, September 21, 2011 7:53:36 PM

I, Herman Lankford, believing wholeheartily in a tall wall between church and state, do state that there should be no exception for the provision of contraception within said health care legislation.

The Catholic Church has proven to be an immoral institution and should have no voice in government matters. Screw the perverts! Well, not really.
